### COMMUNITY- BASED PARTICIPATORY ENGAGEMENTS

- **Facilitator**, Public Health Communication Program for Vaccine Confidence in Kansas, 2023
- **Student Leadership Coach** for EveryLife Foundation, Washington D.C., 2022  
Through this project, the Staley School of Leadership Studies facilitates coaching sessions with the EveryLife Foundation, a nonprofit organization for rare diseases. We provide leadership coaching and capacity-building members to facilitate leadership development and skill enhancement.
- **Co- Researcher** for Reno County CER effort for ARPA decision-making, Reno County, 2021.  
This public engagement project was held in 2021. The Staley School of Leadership Studies assembled the process design and facilitator training guide to conduct one-hour facilitation, giving members of the Reno County community the opportunity to identify ARP funding priorities and needs. Data collected from the facilitations were then analyzed and informed to the Reno County representatives for the allocations of the ARP funds.
